The publishers of *INQUIRY* offer you a dynamic new magazine, an insightful alternative that helps you probe the American and international political scene. *INQUIRY* is the maverick publication that helps you survive the FBI, AT&T, TRW, CIA, IRS, and all the other alphabetical exercises in bureaucracy and big brotherhood . . . alerts you to the march of the corporate state and its intrusions into your life . . . informs you about what lies at the core of foreign policy blunders, about U.S. intervention in the affairs of other countries, about threats to human rights under regimes representing every part of the ideological spectrum.

So as the volume of government invasions of your privacy grows . . . as this nation continues to impose its political and economic institutions on the rest of the world . . . as the power seekers continue to deprive you of more and more tax money . . . as the suppression of individuals' rights continues to mount throughout the world . . . as we get closer to the world of 1984 . . . *INQUIRY*'s first-rate investigative reporting will not only expose what is happening in government and politics here and abroad, but more importantly, will uncover what lies at the heart of the problems and how those problems might be alleviated and overcome. The objective of its publishers and editors is to bring you a magazine of fact and opinion that will make a difference in American politics.
